

CERTIFIED FOR COOKING OIL FIRES

UNIQUE AND INNOVATIVE FIRE SAFETY PRODUCT

US MASTER DISTRIBUTOR

INTRODUCING PANSAFE

The PanSafe Fire Extinguisher

- The PanSafe Fire Extinguisher will quickly smother and eliminate cooking oil fires.
- The PanSafe Fire Extinguisher is compact, lightweight, easy to store, easy to use, environmentally friendly and non-toxic.
- The PanSafe Fire Extinguisher's Fast-Acting Liquid Technology gelatinizes the fuel source allowing for easy clean-up and disposal.

WHY THE NEED

- Cooking causes more than 158,000 home structure fires per year in the United States resulting in over 450 deaths and 4,100 injuries.
- Fire doubles in size every 30 to 60 seconds.
- Confusion over type, size and color of extinguishers to use. 76% of people wouldn't know what type of extinguisher to use in an emergency.

THE SAFETY SOLUTION FOR ALL

- 01 Unique fire safety solution. Simply place in the pan
- 02 Protects your family and loved ones
- 03 Can be safely used by anyone, anywhere
